

# Bio for nominations for NCRC NAHRO

## Bruce Johnston

**NCRC Position you are running for on the ballot:** Vice President  
CR&D

**Agency and job title:** Owner, Revitalize, LLC – Community  
Consultant

**Years with current agency:** 8 (Spent 32 years with the Ingham  
County Housing Commission -27 as ED)

**Years in housing industry:** 39

**What are some of your responsibilities at your agency?**

Pre development consultant on historic buildings, job creation projects, mixed use facilities, and the unique process of public/private funded projects. Additionally, I have 4 Certified Grant Administrators that work for/with Revitalize, LLC that administer CDBG grants for Cities throughout the State of MI doing everything from Environmental Review through Bid procurement through Davis Bacon compliance to grant closeout. I supervise these activities.

**Why are you running for a position on the NCRC Board?**

I have a somewhat unique background with 32 years with Public Housing Commission administering CDBG, Public Housing, and Section 8 programs. Now for past 8 years as a Consultant in the private market utilizing the knowledge gathered all those years producing public/private funded historic, housing, and job creation projects.

I can attend conferences, will work with State, Regional, and National organizations to bring the message of the NCRC and affiliated organizations to many.

Additionally, as previously mentioned I'm blessed to been given the opportunity to learn and serve with some of the best in the business over the years. All this experience should be paid forward.
